

**INTELLECT CORPORATION's – President and CEO, Rohit H. Patel  
Named Ernst & Young Entrepreneur Of The Year® 2007 Award Winner in  
Maryland**

*Award Recognizes Entrepreneurial Excellence in Business Services Category*

**Baltimore, MD June 28th** – Intellect Corporation, a full service telecommunications, electrical, homeland security, ITS, and IT services company, today announced that Rohit Patel, President and CEO, received the Ernst & Young **Entrepreneur Of The Year® 2007 Award for Software and Technology category in Maryland**. According to Ernst & Young, the award recognizes outstanding entrepreneurs who are building and leading dynamic, growing businesses. Rohit Patel was selected by an independent panel of judges and the award was presented at an Ernst & Young Entrepreneur Of The Year gala event at the Hyatt Regency Baltimore on June 28<sup>th</sup>.

*“Intellect Corporation is proud to have been awarded the prestigious Ernst and Young Entrepreneur Of The Year Award for 2007.*

*As Intellect grows to become the leader in specialized integrated systems and product line solutions, it continues to consistently provide innovative solutions in telecommunications, homeland security, electrical, intelligent transportation systems, and information technology. With a focus on providing expert niche area solutions at a value price, it gets ever so close to dominating several individual market segments.”*

*Intellect's strength is rooted in its people. Our staff is expert, diverse, flexible, and offers integrity both within and outside the company.*

*The entire company's energy and enthusiasm is evident with the way business is run; with clarity of purpose and direction. Our staff is amongst the most skilled and dedicated in the nation. We have a vision for the future that has been embraced by the organization and we continue to create a culture of success. Intellect is proud of its track record of creating careers for its*

*employees while delivering superior results for the Clients and Communities we work in.” – Rohit H. Patel, President and CEO.*

The Ernst & Young Entrepreneur Of The Year awards program celebrates its 21<sup>st</sup> anniversary this year and continues to honor entrepreneurs who have demonstrated excellence in such areas as innovation, financial performance, and personal commitment to their businesses and communities.

“Ernst & Young is honored to recognize extraordinary business leaders, such as Rohit Patel, and the companies they have built,” said David Jones, Ernst & Young Entrepreneur Of The Year program director for Maryland.

As a Maryland award winner, Rohit Patel is now eligible for consideration for the Ernst & Young Entrepreneur Of The Year 2007 national program. Award winners in several national categories, as well as the overall national Ernst & Young Entrepreneur Of The Year award winner, will be announced at the annual awards gala in Palm Springs, California on November 17, 2007. The national Entrepreneur Of The Year celebration is part of Ernst & Young’s Strategic Growth Forum. The overall national Entrepreneur Of The Year award recipient is then considered for the world event held in Monte Carlo.

Ernst & Young Global Limited does not provide services to clients. Ernst & Young LLP is a U.S. client-serving member firm of Ernst & Young Global Limited.

## ABOUT INTELECT CORORATION

INTELECT CORPORATION was founded in May 1995 by current President and CEO, Rohit H. Patel. The company was formed to serve the technology systems needs of the intelligent transportation systems (ITS) industry. Some of the earliest projects included writing specifications for large and complex communications and ITS systems, as well as, contracts to perform low and high voltage electrical upgrades for its Clients. Since then, Intelect has expanded to provide products and services to include: **Telecommunications** (two-way radio, cellular, copper and fiber); **Homeland Security**; Commercial **Electrical**, **Intelligent Transportation Systems (ITS)**; and **Information Technology (IT)** systems. The firm's headquarters are based in Baltimore, Maryland with plans to expand offices to respond to opportunities nationwide and with new offices planned for in the near future in DC, VA, DE, PA, NY, NJ, MA, GA, FL, IL, CA, and two international countries.

Intelect built its reputation serving a few high profile Clients in public transportation marketplace and now is seen as a leading integrator working directly with end users, other integrators, consultants, and manufacturers with large Public and Private businesses.
